ABOUT THE INSTITUTION AND DEPARTMENT

S.K.P Engineering College has been started in the year 1999 with a noble aim of imparting technical education to the rural masses in and around Tiruvannamalai. The institution enables them to be placed as the best professionals in industries and make them enter into high level programmes with competence and confidence. The Department of Electronics and Communication Engineering (ECE) was established in the year 1999 with the intent of raising highly qualified Engineers and Researchers who can make substantial Contribution to the field of Electronics and Communication Engineering. The main feature of the Department includes the Center of Excellence for Advanced technology and Enhancing the knowledge of the students for the upliftment in rural community.

OBJECTIVE

The objective of the conference is to offer a platform for the academicians, researchers, practitioners and other industrial person to expose creative and innovative ideas on the shifting roles of communication and networks through the presentation of papers, panel discussion and group meetings.

LIST OF TRACKS

- Network Security
- Internet of Things
- Data storage technology and application
- Wireless Sensor Networks
- Robotics
- Biomedical
- Pattern recognition and biometrics
- Signal processing for communication
- Embedded systems & VLSI
- Communication and information security
- Speech and Image Processing

CALL OF PAPERS

Original contribution from ongoing and unpublished research work/Survey is expected from authors.

PAPER FORMAT

All Candidates are asked to follow the prescribed manuscript format which is given in the Website “www.skpec.in” & Send the soft copy to “ncaet19@skpec.in”

IMPORTANT DATES

Submission of full manuscript

Open from : 08 Feb 2019

Deadline : 10 Feb 2019

Acceptance & : 12 Feb 2019

Intimation

REGISTRATION DETAILS

Registration Fee for

Research Scholars : Rs 500

U.G & P.G Students: Rs 200 (Per head)

Poster presentation: Rs 100 (Per Team)

MODE OF PAYMENT

Through online mode only
